

# DONT LEAVE YOUR OFFICE AIR QUALITY TO CHANCE

## VESTA PURE AIR PURIFIER

- Each unit removes **99.99%** of tested airborne viruses and bacteria
- Each unit will purify a typical 1,000 sq ft space multiple times per hour!
- Ask about our **VESTA Pure Whisper** Jet Fans (High Volume, Ultra Quiet Filtration)
- Filters Last 6 months to 1 year: Sign up for our automatic filter protection plan

### ADD ADDITIONAL UNITS:

For each additional **VESTA PURE** unit you add to your space, it will increase the amount of air exchange. We recommend at least one **VESTA PURE** unit per module.
