

VESTA-CONNECT

VESTA Modular is already well known for supplying best-in-class modular buildings and turnkey solutions to a variety of industries.

With the launch of VESTA-CONNECT, we are about to elevate to an entirely different level.

VESTA is the first modular company to actively provide a fully wireless internet solution to the modular marketplace.

VESTA-CONNECT FEATURES

- Internet and WiFi Solutions provided with your unit lease.
- Connectivity supplied by Verizon, T-Mobile and AT&T.
- Supported Nationwide by Single POC Helpline
- Dual-SIM reliability.
